

I AM ON MY WAY

In this lesson you will learn:

Location Matters

Make a vulnerable request

Create the power of acceptance (make a deal)

Based on your genuine interested relationship get inventory raw on credit (AP) is issued from the grocer

Be prepared for cyclical change in prices

Advertize and get the word out use network science, signage, social media, and word of mouth

Test on as small scale Have a tasting party

Set up for success Make the changes necessary for more Revenues

Hire the people you need to help run the business (build a team)

Create revenues with your product or services

Issue credit to those vetted when necessary to build the network and CR App

Pay down your loans, debts, AP's

Create a profit and loss statement.

Do the math..establish the net margins and Net Operating Revenue (NOI)

Do the advanced math.. establish ROI ROA ROE Cash On cash Delta Equity

Close out the month

Are you ready for the next step/chapter? To grow bigger than you imagined
